INTRODUCING THE TEAM

➔ Support Staff CPD Lead Zoe della-Spina

I am currently employed at The Good Shepherd Primary Catholic Academy where I have worked for over 5 years as the office manager. Taking on the role as the CPD lead for non-teaching support staff, I am keen to ensure that all support staff have the opportunity to access high quality CPD to ensure outstanding Catholic education for all.

WELCOME

➔ Primary CPD Lead Deborah Tibble

I have worked in Catholic Education throughout my career and served as Headteacher at St. Joseph's for the past eleven years and Executive Headteacher for the last three. Having worked as a Local Authority Improvement Adviser and most recently as Director of Performance and Standards,

I am invested in School Improvement and believe that effective CPD is at the heart of this process. As a Headteacher and NLE, I have a wealth of experience in planning CPD offers and in delivering high quality training. We have a responsibility to succession plan and develop our future Catholic Leaders and CPD plays a crucial part in this. I look forward to working alongside all our Headteachers and the other CPD leads to develop an effective CPD offer for all staff within our schools.

We look forward to coming term and the opportunities the new year brings. We will continue to deliver the highest quality CPD to support all colleagues across the Our Lady of Lourdes Catholic Multi-Academy Trust.

Over the next academic year we will offer CPD for all staff to support sustained change and development of teaching and leadership and ensure all learners achieve their full potential.

Our key objectives are to:

- *offer training to refresh and grow knowledge to enable all students to achieve*
- *offer training for support staff across the Trust*
- *work with speakers and experts within their field to support delivery of focused CPD*
- *support the subject Network programme for leaders and experts across primary and secondary schools*
- *provide outstanding leadership training to develop future leaders and strengthen the quality of teaching.*

➔ Admin Assistant Liz Hopkins

My role in the CPD Hub is to support the development and delivery of the highest quality CPD for all staff within the Trust. I create the marketing and communication and coordinate the organisation of training events.
