Schools Rally For Children In Need

Pupils at St Joseph's, Cleethorpes and St Mary's, Boston, had an exciting time supporting BBC Children in Need this November, with special visits from Pudsey Bear and local BBC radio presenters.

Both schools took part in the Thousand Mile Challenge, a nationwide three-legged race completed by BBC teams across the country. Radio presenters tackled the challenge, tethered to guests along the way. The school communities also welcomed Pudsey Bear to school and helped cheer on the brave BBC racers.

On Children in Need Day, Pudsey Bear returned to St Mary's for a whole school assembly. Pupils enjoyed a non-school uniform day and took part in the annual Pudsey Bear colouring competition, all helping to raise vital funds for BBC Children in Need.

Meanwhile, At Christ the King, Arnold, Sixth Formers coordinated the school's Children in Need fundraising. This included a bake sale, crossbar challenge and PJ Day and raised over £700!

Thank to you everyone who took part and donated in Children in Need fundraising.

All Saints' Inspires Future Careers

All Saints', Mansfield, held a successful Careers Fair this term, providing a valuable and inspiring experience for students.

Over 20 businesses, universities, colleges, and degree apprenticeship specialists joined them, offering students the chance to engage, interact, and ask the big questions about their futures.

This year also marked the introduction of a quiet half-hour session, giving students from the Francis Centre and JPC their own dedicated time.

Congratulations to everyone involved for making the event such a success.

Fr Chris, with the Gospel Values Team, led the school in sharing scripture and prayers to mark the special occasion. The Prayer Garden will be a cherished place, for the whole school community, for many years to come.

All donations went to local food banks to support families in need during challenging times.

Remembrance Day Across Our Trust

All of our academies paid tribute to those who have fought and those who have died in war and conflict for this Remembrance Day.

St Mary's Christmas Celebration

In December, St Mary's, Grantham, took part in the town's Christmas Tree Festival at St Wulfram's featuring 200 decorated trees.

The annual Christmas Tree Festivals attract thousands of visitors each year and begins with a torch-lit procession to the church.

The decorated Christmas trees, provided by local schools, businesses, charities and community groups are blessed and displayed in the parish Church. The church even has an ice rink inside for the duration of the festival!

Saint Jude Hub News

Representatives from the Chaplaincy Team at St Augustine's in Stamford were invited to their parish church to see the CAFOD Jubilee Icon at the end of September. Along with Mrs Withers and Mrs Wright, the pupils attended a service of Word and Sacrament with parishioners and were then given the opportunity to ask their questions about the Jubilee Icon and to see it up close.

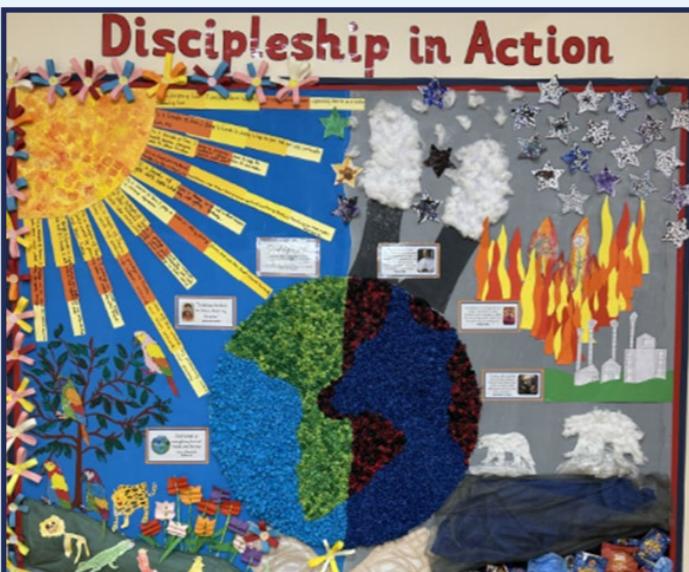

St Mary's in Grantham enjoyed a beautiful retreat day this term where the whole school were given the opportunity to visit prayer stations led by pupils. These stations were based on their CAFOD Live Simply journey and helped them to explore what it means to 'live simply', 'live sustainably', and 'live in solidarity'. St Mary's has also been busy further developing its beautiful sacred space by adding lots of activities and sensory experiences to the room that people can engage with when they visit.

Our Lady of Good Counsel, Sleaford, have taken their first actions towards achieving the CAFOD Live Simply award. They have taken part in CAFOD's Brighten Up campaign and have held a 'penny wars' challenge in their classrooms which raised £76.24 for the charity. In addition, it was a joy to see the youngest pupils in the school leading this year's Harvest Festival. They performed 'Dingle Dangle Scarecrow' to the school community, and parents were even invited to stay behind afterwards to make their own scarecrows!

St Norbert's in Spalding joined with Catholic communities across the country to celebrate the closing of the Jubilee Year for schools. They took part in activities that helped them to reflect on the work we have undertaken over the past

year, both as a school and within our Academy Trust and Diocese. Mrs Wright, created a video which reminded us of all of the ways we have celebrated the Jubilee Year at St Norbert's, and our wonderful Chaplaincy Team helped us to reflect on what hope means to us and how we will continue to be Pilgrims of Hope even after the Jubilee Year comes to an end.

The whole community at St Mary's in Boston came together for a wonderful retreat day during Advent term to explore Bishop Patrick's theme of Discipleship. We spent time responding to our scripture by thinking about how we can put discipleship into action and work together to protect our common home. A team of dedicated staff, led by our own very talented Mrs Sutton, worked hard to create a large-scale hall display to showcase this amazing day and important themes.

St Peter and St Paul's, Lincoln, continued to support their parish and strengthen their community links this Advent term. On Friday 12th December, students from the Chaplaincy Team along with Year 10 ASDAN students held a festive community afternoon in the parish centre. Students and parishioners helped each other with an intergenerational Christmas quiz. The afternoon was topped off with festive refreshments and some amazing singing from Sarah's Singing Group; a group of incredibly talented SSPP students. The students were excellent, and the community thoroughly enjoyed the event.

Christ the King Chaplaincy News

This term, students who volunteered to serve as part of our Chaplaincy Team and as Form Prayer Representatives took part in a special Training Retreat Day. The purpose of the day was to help them understand their new roles and how they will support the spiritual life of our school community throughout the year.

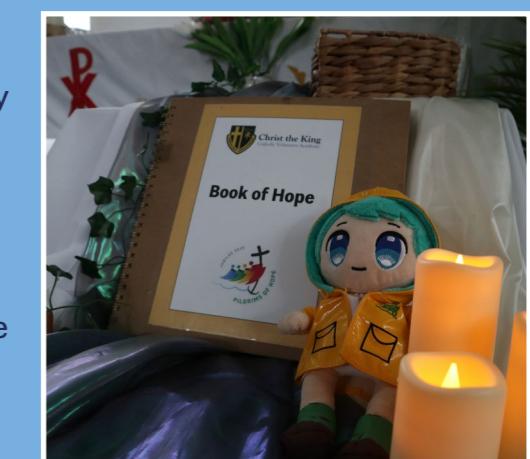

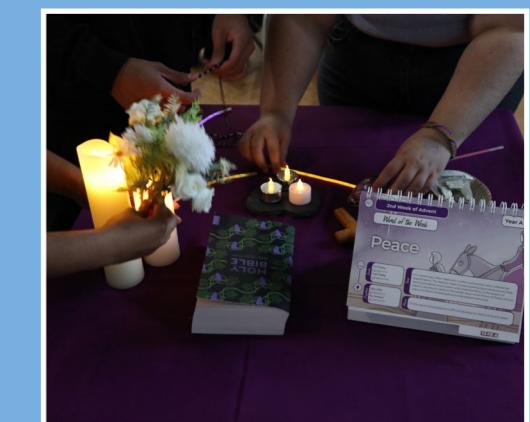

Students explored the Church's seasons through interactive activities and learned how prayer, reflection, and service shape daily life at Christ the King. They were also introduced to the three strands of Chaplaincy (Encounter, Discipleship, and Missionary Discipleship) and discovered how each one contributes to school worship, communication, and outreach work.

By the end of the day, our Chaplaincy students and Form Prayer Reps felt more confident, better prepared, and excited to begin supporting their forms and the wider school through prayer.

As part of the Jubilee Year celebrations, our school created a Book of Hope that travelled to every form. The book was passed along with our Jubilee banner and mascot, giving each class a turn to contribute. When it arrived in their room, students added a page they designed themselves, explaining what gives them hope and how they can share that hope with others. Each page reflected the unique thoughts and creativity of the group, building a collection that represents our whole school community.

By the end of its journey, the Book of Hope had become a meaningful record of the ideas, values, and optimism our students wanted to highlight during the Jubilee Year - a simple project that connected every form with a shared purpose.
